MERRY CHOCOLATE

Anna Higgle

At the heart of a forest blanketed in snow emerges our exclusive Christmas collection, with designs by expert illustrator Anna Higgle.

The Australian artist - who has worked with British Vogue and Vanity Fair, among others - takes us on a journey through the magic of Christmas, transforming each box of delicious chocolate into a doorway to an enchanting world.

Various shades of red intertwine with the crystal-clear blue of the ice, while reindeer, timeless holiday symbols and delicate snowflakes populate a dreamlike winter wonderland, forming an alluring toile de jouy pattern. From her workshop in Bristol, Anna Higgle brings winter to life through her illustrations, in which the wilderness and warmth of the holidays come together in perfect harmony.
