In particular, the Terms and Conditions of Sale and Business otherwise applicable in the NILE Stores (Pluvina AG, ZAS AG, NILE Clothing GmbH Deutschland) are not to be applied to online orders. When ordering, the customer can enter the desired delivery address. This may be different from the billing address. Generally, the following delivery options are possible:

- Delivery to the billing address

Exchanges/Returns

It is the customer's responsibility to inspect the goods immediately upon delivery and to report any defects or deviations from their order. The aforementioned defective goods, or those that do not fit or please the customer, may be returned by the customer within 14 calendar days without giving any reason. The date of receipt of the package by the customer and the postmark of the return shipment are decisive for the 14 calendar days. The return must be made in the original packaging and with the enclosed delivery bill. Only unworn, clean, undamaged and complete merchandise including the label in the original NILE packaging will be accepted for return. The shipping costs in case of return of the goods shall be borne by the customer. After receipt of the goods, Nile Clothing AG will check the returned items and decide whether they are in perfect condition and whether a refund can be issued. Refunds will be issued via the same payment method as the original payment and usually within 10 business days. Only the value of the goods will be refunded. Any shipping costs incurred will not be credited.
