

dobbies
LITTLE
SEEDLINGS

GUESS WHAT?
Many people think that rabbits eat lots of carrots and lettuce, but they should only eat a little of these to avoid health problems.

PERFECT PLANTS FOR EASTER BUNNIES

activity sheet

SPOT THE DIFFERENCE

Can you find the 5 changes in the second picture?

GUESS WHAT?
More people eat the ears on a chocolate bunny first than any other part. Where do you start?

DIG OUT THE FRUIT AND VEG!

These are all plants we can grow that are good for rabbits – can you find them in the grid?

- Rocket
- Courgette
- Parsley
- Tomato
- Spinach
- Kale

I'VE LOST MY CARROTS!

Can you help this bunny find its way to the vegetables?

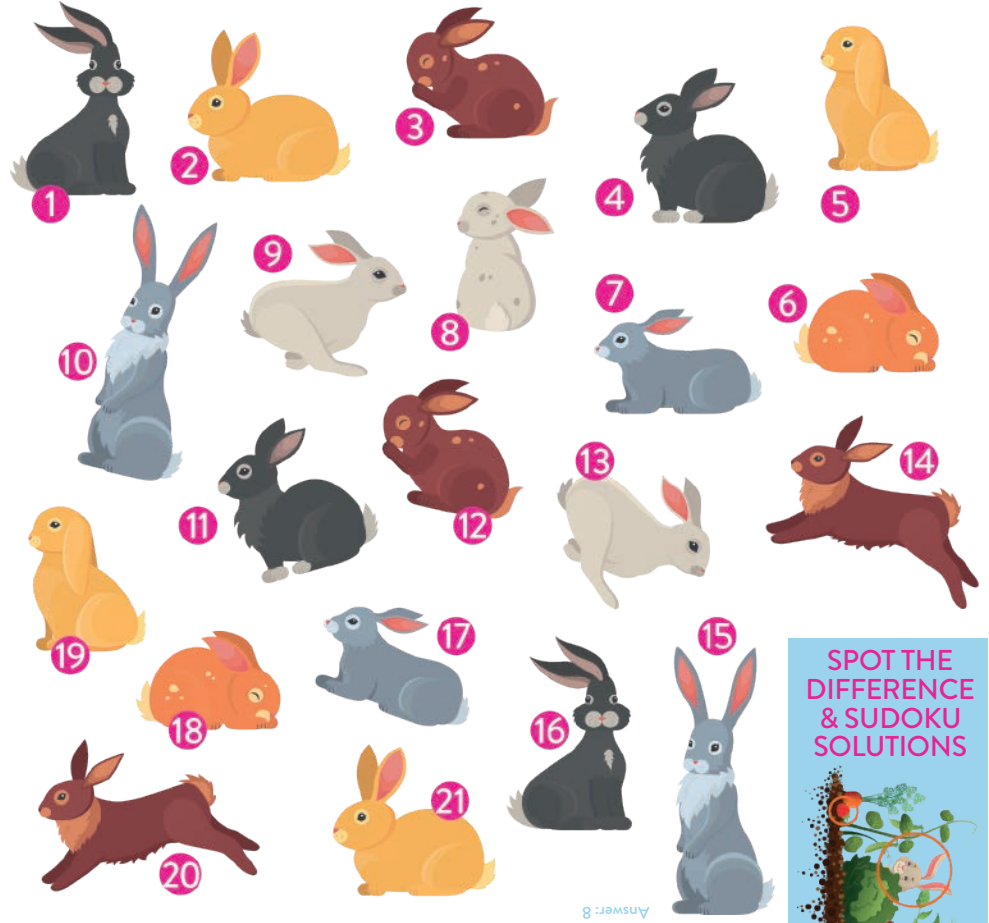

GUESS WHAT?
The Easter bunny doesn't visit Sweden, there's an Easter Wizard instead!

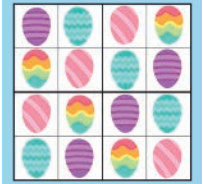

ODD ONE OUT

These bunnies all have a twin, except for one – which one is it?

Answer: 8

SPOT THE DIFFERENCE & SUDOKU SOLUTIONS

SUDUKO CHALLENGE

Fill in the grid with different colour Easter eggs, making sure that each colour isn't repeated in each row, column or mini grid.

JOKE PATCH

How does the Easter bunny stay fit?
Lots of eggs-er-cise and hare-obics!

What do you call a rabbit with fleas?
Bugs Bunny!

Which book did the rabbit take on holiday?
The one with the hoppy ending!

MAKE YOUR BUNNY CARD

This would make a lovely Happy Easter card – and it's easy to do at home once you know the shapes you need!

YOU WILL NEED:

- Printed template
- Black felt tip
- Scissors
- Glue stick

INSTRUCTIONS:

1 Cut out the shapes on the white card.

2 Glue the inner ear pieces on the white bunny ears.

3 Fold your card template piece in half along the centre line to create the card shape.

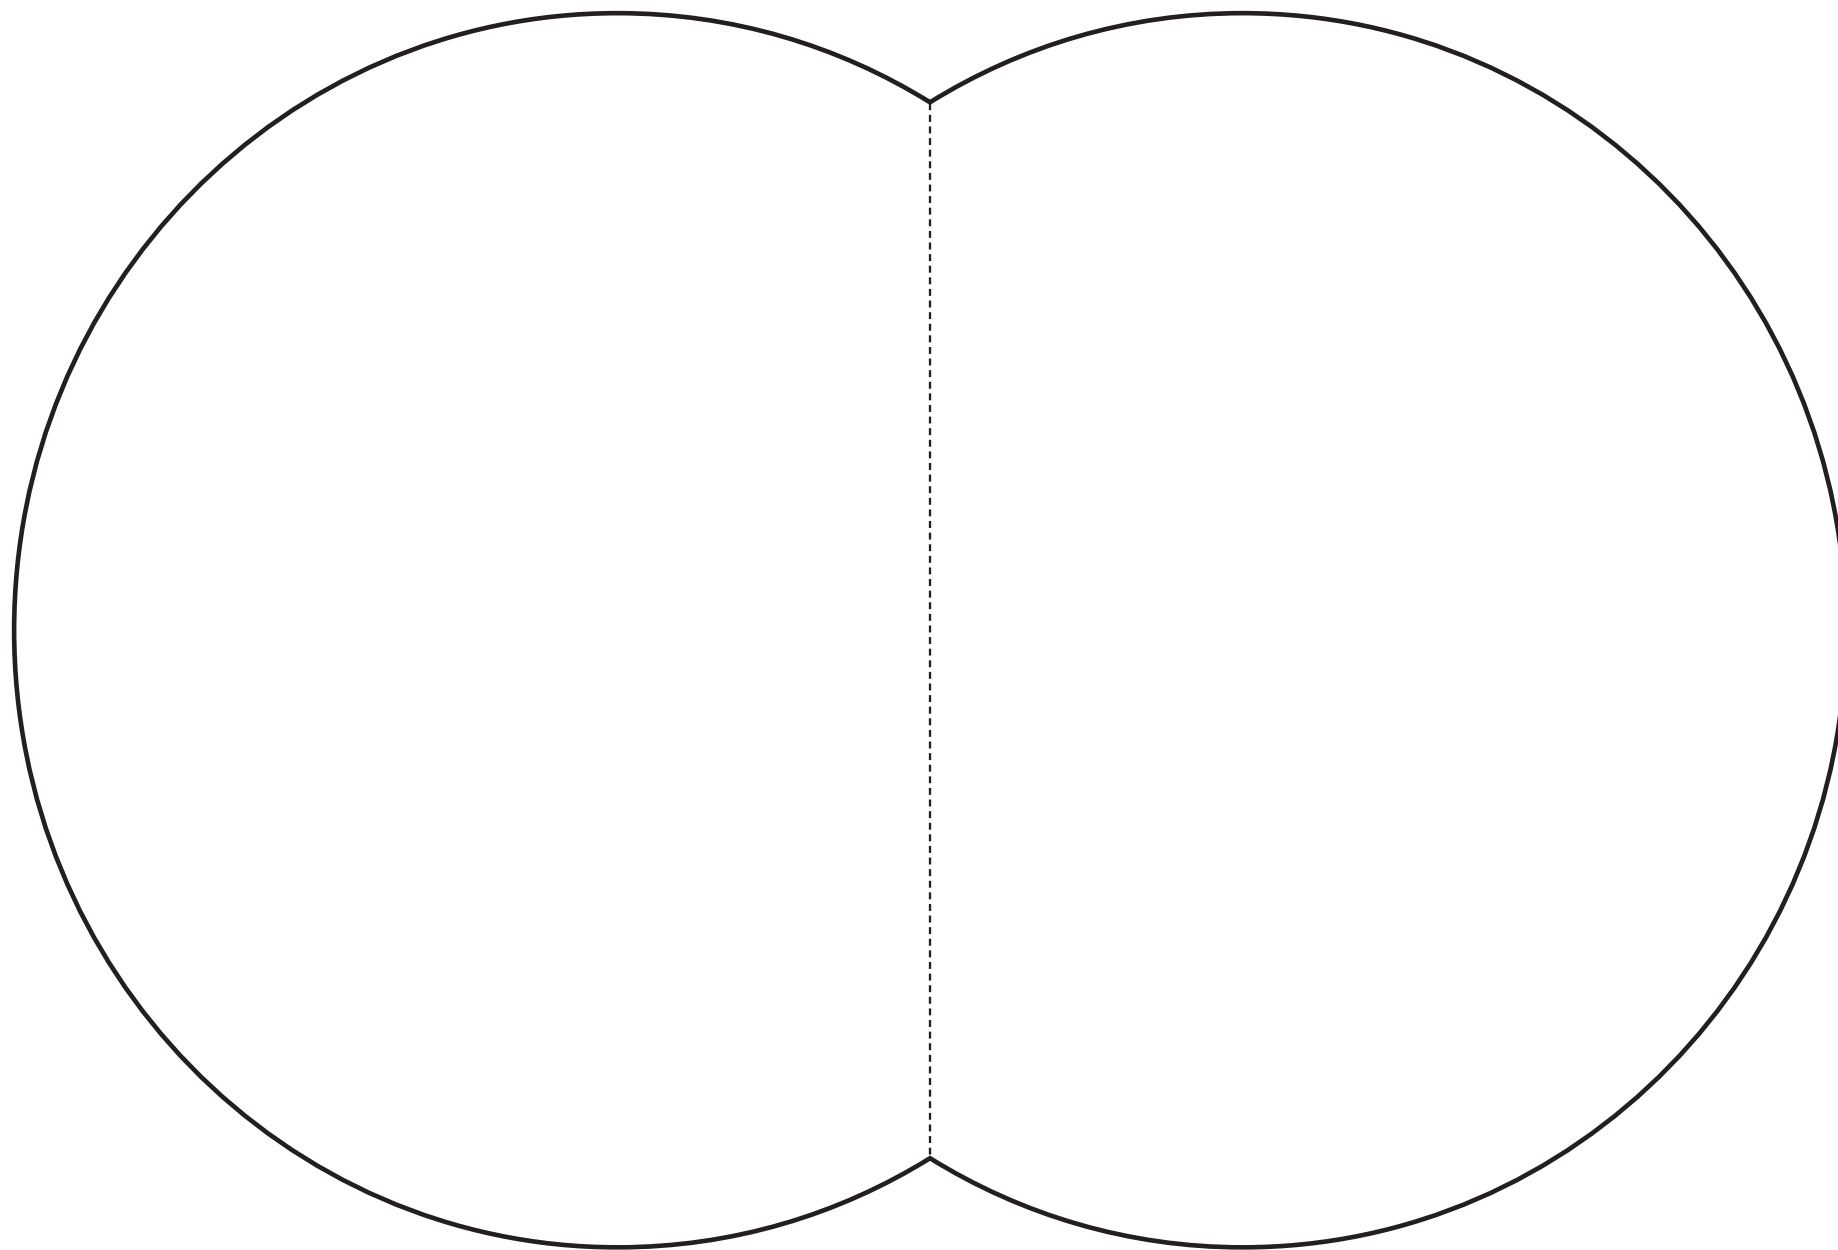

4 Stick a little glue on the bottom of your bunny ears and stick them on the back of your card.

5 Put a little glue on the centre of the bunny's face and stick its pink nose on.

6 Use a felt tip pen to draw eyes, whiskers and a mouth on the bunny face.
