

PRODUCT RECALL

HAVE YOU GOT A...

TWO PORTION COQ AU VIN

Batch: **000105A** (BB:06/06/2024)

A few of these meals were sent out with an **incorrect label on the back**, which lists the ingredients and allergens for our Chilli con Carne. There are, therefore, **undeclared Sulphite and Gluten allergens in this dish**.

Please do not eat if you have an allergy or intolerance to Sulphite or Gluten.

Otherwise, the Coq au Vin is perfectly fine (you'll find cooking instructions on the COOK website). We're very sorry for the inconvenience caused by this labelling mishap, and we're happy to **arrange a full refund** and answer any questions.

Apologies again, COOK
