Hello spring

We're excited to unveil the outdoor living ranges from Dobbies Garden Centres for 2026.

Whether you want a beautiful area to relax or gather the family, a wildlife haven to attract bees and butterflies or an area to grow your own produce, there is inspiration for every style and budget.

With garden furniture, cushions and accessories to lighting and heating, our 2026 ranges can help you make the most of your garden space, from morning through to night and in sunny spells to rain showers. Read on to discover more for spring summer 2026.

Wild Heritage

Classic styling meets traditional garden living in our Wild Heritage theme. With furniture styles that are designed to grow with your garden, they will never go out of fashion and can be expanded year after year. Tones of green that tie into your garden setting are brought to life with pops of pink and yellow, giving this classic look a new twist.
