CARE INSTRUCTIONS

- To clean, wipe with a sponge and warm, soapy water, then wipe with a dry, clean cloth. Do not use solvent-based cleaners or detergents as they can bleach or damage the product.
- Never use a pressure hose or washer to clean the product. Never use scourers, abrasives, or chemical cleaners.
- Please note, the cushions are **not** waterproof and **should not** be left out in the rain. Please store the cushions in a cool, dry place when not in use.
- If any liquid spills onto the rattan, clean it immediately with a damp cloth, and always refer to the care label.
- After rain or snowfall, wipe off excess water or snow, especially from flat surfaces. Allow air to ventilate to avoid moisture and mould.
- We recommend the use of a furniture cover when product not in use.
- To help maintain its appearance and avoid scratches, never place sharp pointed objects directly onto the surface.
- Due to the rattan being hand-woven, the weave may contain some colour and finishing variations. This is normal.
- To avoid damage to the rattan, be sure to pick the furniture up only by the frame, and never by the woven panels, to avoid damage/distortion to the product.
- Store the furniture in a cool, dry place. Ensure that the furniture is clean and dry before putting into storage. Do NOT put the product in plastic or other non-permeable material as this creates moisture.
- Never drag furniture when moving it. Always lift it.
- Periodically check all fixings to ensure none have come loose and re-tighten when necessary.
- Never tilt the furniture. Ensure the furniture is always placed firmly on a solid, level surface.
- Please keep away from sources of extreme heat and naked flames.
- The warranty does not cover accidental damage/neglect or general wear and tear.
