## CARE INSTRUCTIONS

- To clean, wipe with a sponge and warm soapy water then wipe with a dry, clean cloth. Do not use solvent based cleaners or detergents as these will damage the look of the product.
- Never use a pressure hose or washer to clean the product. Never use scourers, abrasives or chemical cleaners.
- Store the product in a cool, dry place. Before storage ensure that the product is clean and dry.
- Leaving the product exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions or covering it with a suitable cover.
- Avoid sharp objects as these can damage or scratch the product.
- Please keep away from sources of extreme heat and naked flames.
