

It's not too early to start thinking about your spring garden - now is the perfect time! Check out all these fun facts about spring bulbs.

## SPRING BULB FACTS

Spring flowers come in all shapes and sizes. Here are some things you may not know about our favourite ones.

Daffodils were brought to Britain by the Romans

Tulips only bloom for 3-7 days

A daffodil field can bloom for up to 50 years

Hyacinth flowers are often used to create perfume

### TOP TIP

Soak daffodils for 24 hours before you put them in a vase with other flowers

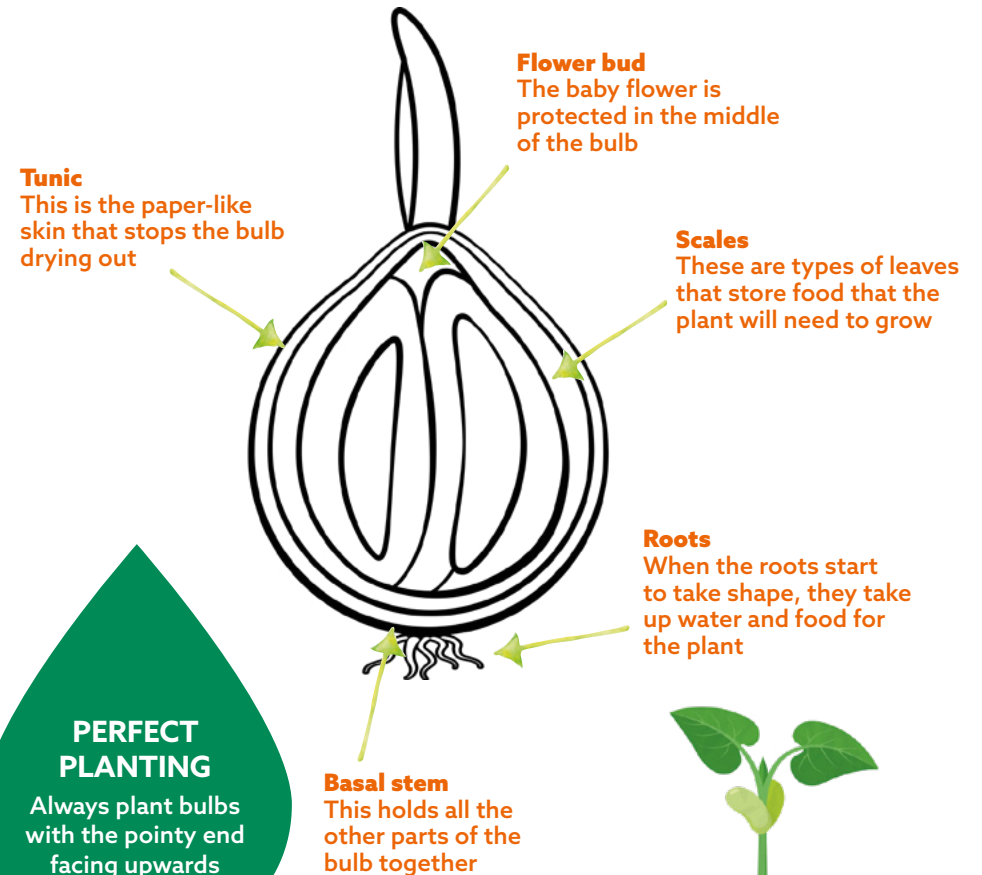

Snowdrops were named after earrings, not snow

People who like snowdrops are called Galanthophiles

## A CLOSER LOOK AT BULBS

Have you ever looked closely at a bulb? Each bulb has different parts that are important in helping it grow. Let's look at a tulip bulb!

### PERFECT PLANTING

Always plant bulbs with the pointy end facing upwards
