Mango & Passion Fruit Cheesecake or Chocolate & Almond Torte

Mango & Passion Fruit Cheesecake (6)

Chocolate & Almond Torte

While the puddings themselves are fine, we've mixed up a few of the boxes, so **the allergens declared on the back label may not be accurate.**

The Torte contains **Nuts** (Almonds) and **Soya**, and the Cheesecake has **Wheat Gluten**, which will not be declared on the back label. The puddings are very different visually so please check your puddings to ensure they are correct and if so, they are perfectly safe to enjoy.

If you have any concerns or for a full refund, please call 01732 759010 or visit your local COOK shop.

Our sincere apologies,
