ST 35552
Diafarm Chlorhexidine 0,5% isotonic spray

Description:

Cleaning spray to support skin healing in the event of scratches and minor wounds.

Directions for use:

Larger wounds and injuries must be attended by a veterinarian. Carefully remove straw, hair, dirt, damaged tissue etc. prior to treatment. Spray directly onto the area twice a day or as needed until healed. Do not rinse with water after treatment. Keep at room temperature and out of reach of children.

Ingredients:

Aqua, Sodium Acetat, Chlorhexidien Diacetat, Acetic Acid.
