ST10954
Diafarm Benzoylperoxide shampoo

Description:

Extra care shampoo supplying special nourishment for pets with greasy skin. Use of conditioner after wash is needed.

Directions for use:

Please keep ears protected, eventually with cotton pads. Massage the shampoo into wet fur – avoiding shampoo in the eyes and leave for 2-3 minutes. Rinse thoroughly. Use a towel to remove excess water. Comb the fur thoroughly when almost dry. Please notice that the pet is not placed in cold or windy rooms, whilst the fur is not completely dry. Keep out of reach of children. Contains dibenzoylperoxid. May cause allergic reaction.

Ingredients:

Aqua, Sodium Laureth Sulfate, Colloidal Silica, Cocamidopropyl Betaine, PEG-15 Glyceryl Isostearate, Benzoyl peroxide, Phenoxyethanol, Citric Acid, Ethylhexylglycerin.
